

Swachhta Policy of Govt. Degree College for Women Kathua

The Swachhta policy of Govt. Degree College for Women Kathua consist of following objectives:

- 1. Sanitation and hygiene policy:** Maintenance of cleanliness and institutionalisation of monitoring processes.
- 2. Water conservation policy:** Optimum use of water and water saving appliances and water recycling.
- 3. Waste Management Policy:** 5 R principles of reduce, reuse, recycle, refuse and regenerate as well as reducing waste sent to landfill to less than 10% of waste generated. Banning all plastic disposable items from the campus is the first step. Drawing lessons from Swachh campaign for handling computer & electronic equipment and other e-wastes.
- 4. Energy conservation policy:** Introduction of solar energy and reduction in energy consumption through technologies and management processes.
- 5. Greening Policy:** Growing endemic and endangered species of trees covering at least 33% of land area on campus.
- 6. Student Activity Policy:** Maintenance of Swachhta during students' cultural programmes and any student activities.

Swachhta Action Plan

1. To institutionalize cleanliness or Swachhta as an integral part of the functioning of the institution.
2. To set the tone and pace for Swachhta movement in the campus and society.
3. To take necessary steps for introspection and appraisal of the campus cleanliness and to stimulate corrective action to achieve higher benchmarks.
4. To transform the institution into model of environmental consistency, conforming to various factors of ecological balance in its daily functioning.
5. To contribute positively to attain Good Health & Well Being, Clean Water & Sanitation and conserve energy.
6. To conduct activities on swachhta, water management and Health & Hygiene in campus and adopted village of NSS.
7. To contribute to the Swachh Bharat Abhiyan by building awareness in students and common masses through celebration of various days through the year.
