Press Release

GDCW Kathua Students Attend Mega Job Fair at Sports Stadium Kathua Organized by District Administration

Kathua, February 21, 2025: In a significant initiative aimed at enhancing career prospects for students, Career Counseling and Placement Cell of Government Degree College for Women (GDCW) Kathua organized an exposure visit to the Mega Job Fair held at the Sports Stadium, Kathua, on February 21, 2025. The event, orchestrated by the District Administration, attracted a wide array of local and national recruiters offering job opportunities across multiple sectors.

The exposure visit saw active participation from GDCW Kathua students, who had the chance to interact with numerous industry representatives, learn about various career opportunities, and gain insights into the recruitment process. The Mega Job Fair featured prominent employers from diverse industries including IT, healthcare, education, banking, and retail, aiming to connect skilled youth with potential employers.

The initiative was part of the efforts of Career Counseling and Placement Cell of GDCW Kathua to empower students with practical exposure to the job market, helping them explore their career options beyond academia. It provided students with a unique platform to network with industry leaders, participate in on-the-spot interviews, and attend seminars on job readiness and skill development.

Prof. Seema Jolly, Incharge Principal of GDCW Kathua, expressed her gratitude towards the District Administration for organizing such an event, highlighting its importance for students' professional growth. She emphasized the need for students to be equipped with both academic knowledge and practical skills to successfully navigate today's competitive job market.

The students were highly appreciative of the event, with many expressing their excitement about the variety of opportunities available and the chance to meet with top employers in person. Some students also attended workshops on resume building and interview techniques, ensuring they were better prepared for the professional world. The Faculty members of the cell accompanied include Dr. Renu, Dr. Kamini Kapoor, Dr.Sonika Jasrotia, Dr. Ajay Sanotra and Dr. Gaggan Kumar.
