

REPORT

Students of GDCW, Kathua Visit Jasrota Wildlife Sanctuary for an Enriching Educational Experience.

Department of Zoology and IQAC, in collaboration with Wildlife Department, Kathua successfully organized a field visit for the students of B.Sc Sem. IVth and VIth. under the patronage of worthy Principal of the college, Dr.Savi Behl. This educational trip, organized as part of the practical curriculum, provided students with hands-on learning and an opportunity to explore diverse plant and animal species in a natural setting. The visit was aimed at fostering practical knowledge and awareness among students about the importance of ecological balance and habitat preservation. A group of enthusiastic students, accompanied by faculty members from the department of Zoology and Botany, embarked on this insightful excursion to explore the rich flora and fauna of Jasrota Wildlife Sanctuary.. The Department of Zoology extends its gratitude to the management of Jasrota Wildlife Sanctuary and the forest department for their support in making this visit a success. Such initiatives reaffirm the department's commitment to holistic education and environmental stewardship. Staff members Dr. Khushboo Sharma, Dr. Abdul Ghani, Dr. Richa Bharti and Dr. Aakriti Gupta played a pivotal role in successfully organizing the field visit.
