**GDCW Kathua Organizes Symposium on World Earth Day**

On the occasion of World Earth Day, the Haryali Eco Club in collaboration with the Department of Environmental Science, Government Degree College for Women, Kathua, organized a thought-provoking symposium on the topic aimed at promoting environmental awareness and sustainable living.

The symposium featured engaging presentations and discussions on themes such as Energy Conservation, climate change, biodiversity conservation, plastic pollution, and the importance of adopting green practices in daily life. About 10 students participated in this symposium. Miss Bhoomi and Miss Riya jointly got the 1<sup>st</sup> prize in symposium.

The event was convened by Dr. Deepshikha, who emphasized the critical importance of individual and collective action in preserving the planet for future generations. The symposium was graced by the esteemed Principal of the college, Dr. SaviBehl, who highlighted the role of educational institutions in shaping eco-conscious citizens.

Distinguished faculty and Eco club members including Dr. Renu Gupta, Dr. TejinderKour, Dr. GurpreetKour, Prof. Karam Chand, Prof. Param, and Prof. Manjot Singh were also present on the occasion. Their presence and insights added great value to the discussion, encouraging students to reflect on their role in environmental conservation. Vote of thanks was presented by Dr. Renu Gupta on this occasion.
