NSS and NCC Cadets of Govt Degree College for Women, Kathua, gain Invaluable Insights during Educational visit to Army Unit.

NCC and NSS Cadets of Govt. Degree College for Women, Kathua Gain Invaluable Insights During Educational Field Visit to Army Unit

KATHUA APRIL 2 : In a significant step toward fostering patriotism and national pride among the youth, the NCC and NSS cadets of Govt. Degree College for Women, Kathua participated in an extensive and highly informative field visit to a local Indian Army unit on 30th March 2026. The educational tour, organised under the special initiative of the Commanding Officer of the respective unit, aimed to familiarise the students with the operational preparedness and glorious traditions of the Armed Forces. During the

visit, the Army Unit arranged a comprehensive display and live demonstration of various modern weapons and tactical equipment. This hands-on experience provided the cadets with a rare and practical understanding of the advanced technology and rigorous training that safeguard the nation's borders.

Further enriching the experience, the unit's officers delivered a detailed and highly motivating presentation. The interactive session highlighted the diverse and rewarding career opportunities within the Armed

Forces, deeply inspiring the young women to consider a noble path of service in the Indian Army. The officers shared insights into military life, emphasising core values such as discipline, leadership, and selfless service.

The field visit concluded with a specially organised tour of the unit's museum.

The historical exhibits and inspiring stories of valour left a lasting impression on the cadets, instilling a profound sense of respect for the sacrifices made by the soldiers. The faculty and administration of the college expressed their profound gratitude to the Commanding Officer and

the entire team at the Army Unit for their exceptional hospitality, time, and effort in making the event a resounding success. Such collaborative interactions are considered vital for the holistic development of students, guiding them toward active nation-building and responsible citizenship.
