REPORT

GDCW Kathua Organises Induction Session under SCALE Programme

Kathua, August 12, 2026: Govt. Degree College for Women (GDCW), Kathua, organised an Induction Session under the SCALE (Student Conduct for Academic Leverage and Excellence) Programme on August 12, 2026, with the objective of orienting newly enrolled students to the academic ecosystem, institutional framework, facilities, student rights and responsibilities, and support systems available at the college. The programme commenced with the ceremonial lighting of the lamp. The session was anchored by Dr. Kamini Kapoor. Principal of the college, Prof. (Dr.) Jaipal Singh warmly welcomed the newly enrolled students and encouraged them to make the most of their college experience through academic dedication, discipline, ethical conduct and active participation in curricular and co-curricular activities. The induction programme comprised a series of structured and informative sessions covering key aspects of student life and the academic framework. Dr. Amita Dua, in Session 1, delivered an insightful presentation on "NEP-2020 Overview," acquainting students with the vision, objectives and major provisions of the National Education Policy 2020. This was followed by Session 2 on "Academic Framework of NEP," conducted by Prof. Sachinjeet Singh, who explained the curricular structure, academic pathways and opportunities available to students under the NEP framework. After the break, Dr. Rachna Devi conducted Session 3 on "Academic Rights," sensitising students about their academic entitlements, responsibilities and institutional expectations. Session 4, "Mentor-Mentee Framework," was conducted by Dr. Renu Gupta, who highlighted the significance of mentoring in supporting students' academic progress, personal development and overall well-being. The programme further addressed campus resources and student support services. Dr. Deepshikha Sharma conducted Session 5 on "Sports & Campus Facilities," introducing students to the sports infrastructure and other facilities available at the college. Dr. Ambica, in Session 6 on "Grievance Redressal & SIGMA Portal," familiarised students with institutional grievance-redressal mechanisms and digital services designed to facilitate transparent and accessible student support. An interactive Open Forum, conducted by Dr. Rachna Devi, provided students with an opportunity to raise questions, seek clarifications and interact directly with the college administration. The forum encouraged open communication and helped students gain greater clarity regarding various academic and institutional processes. The programme concluded with a Vote of Thanks proposed by Dr. Kamini Kapoor. The induction session served as a significant platform for integrating newly enrolled students into the college community and equipping them with essential information regarding academics, institutional systems, facilities, rights and responsibilities. The successful organisation of the programme reaffirmed the college's commitment to creating a student-centric, inclusive and empowering academic environment, in keeping with its guiding ethos: "Empowering Students, Enriching Learning, Ensuring Excellence."

GDCW Kathua Organises Induction Session on SCALE

KT NEWS SERVICE

KATHUA, AUGUST 12:

Government Degree College for Women (GDCW), Kathua, successfully organized a SCALE (Student Conduct for Academic Leverage and Excellence) Induction Session on 12 August 2026.

The session was aimed to familiarize students with the academic framework, institutional facilities, student rights and responsibilities, mentoring system, grievance redressal mechanisms and other important aspects of college life.

The programme commenced with the ceremonial lighting of the lamp by the worthy Principal, Dr. Jaipal Singh, marking the formal inauguration of the session.

In his address, Dr. Jaipal Singh emphasized the importance of discipline, academic excellence, active participation and responsible conduct. He encouraged the students to make the most of the academic and co-curricular opportunities available to them and to contribute positively to the college community.

A series of informative lectures on different topics were delivered during the programme by Dr. Amita Dua, Prof. Sachinjeet Singh, Dr. Rachna Devi, Dr. Renu Gupta, Dr. Deepshikha Sharma and Dr. Ambica.

The topics covered included academic excellence, student rights and duties, institutional facilities, mentoring and counselling support, code of conduct, grievance redressal mechanism and co-curricular opportunities.

The programme concluded with the formal Vote of Thanks by Dr. Kamini Kapoor, who expressed gratitude to the Principal, resource persons, committee members and students for their active participation and support.

The SCALE Induction Session successfully oriented students towards the academic and institutional ecosystem of the college.
