REPORT

Activity Report: Awareness Programme on Road Safety

Organized By: Govt. Degree College for Women, Kathua

Venue: Browsing Center

Audience: Students of Govt. Degree College for Women, Kathua

Date: 26-09-2026

An awareness activity on Road Safety was organized at Govt. Degree College for Women, Kathua on 26-September, 2026 under the guidance and supervision of Worthy Principal, Dr Jaipal Singh. The event was organised under the Youth Empowerment Programme (YEP) of Government of Jammu and Kashmir. The objective of the event was to sensitize young students about the vital importance of traffic rules, responsible driving habits and the prevention of road accidents.

The event commenced with an informative lecture delivered by Prof Neeraj Chagathia. The session focused on the critical aspects related to road safety, including the mandatory use of helmet, seatbelt, risks of over-speeding, understanding traffic signage, avoiding the usage of mobile phones while driving.

Dr. Lakhvinder Singh spoke on the legal aspects of driving. He educated the students about the importance of keeping compulsory vehicular documents up to date. Mr Sanjeev Jamwal and Prof Vibha Bharti also engaged with the students to explain how responsible driving can significantly reduce the number of accidents on roads.

During the session, a short educational video was also screened for the students. It highlighted some real-world scenarios and underscored the immediate consequences of traffic violations. The programme concluded with an interactive session where students actively participated, discussed common road safety issues faced by youth and pledged to act as ambassadors for road safety.
